GENERAL INFORMATION

Ordering Information: Please verify part numbers and application upon ordering. On larger orders please email at **rob@billstruckshop.com** / **aaron@billstruckshop.com** / **mike@billstruckshop.com** or call (905) 725-3460, for more information.

Payment: We accept Cash, Debit, VISA, MasterCard, E-Transfers, Company cheques. Applicable taxes apply to all sales.

Shipping: Ship by your choice of Canpar, UPS, FedEx, Purolator, Canada Post, or truck freight Day & Ross on some larger items. Most orders can be shipped same day for next business day delivery. Actual shipping charges will be applied.

Pricing: Prices are in Canadian currency. Due to constant fluctuation between the Canadian and U.S. dollar – refer to the prices in the catalogues as a **GUIDE ONLY!** Bill's Truck Shop Ltd. reserves the right to make appropriate changes as necessary. We try to keep prices low by always keeping a large inventory on hand. WE never buy parts with YOUR money to sell to YOU so we never pre-charge you for normal stocking items that are out of stock.

Returns and Guarantees: If fault is found in the parts or workmanship of item purchased, full money back guarantee or exchange for new item. If fault occurs from installation or misuse, no return will be given. No refunds will be given on electrical components or literature. Call with any questions.

Back Orders: No shipping charges will be applied to regular stocked items, unless a manufacturer's back order applies. All back orders cancelled after 60 days.

Discounts: Business's may apply for discounts after providing valid business info. Regular customer discounts can be applied depending on volume purchases. (E.g.: 5% discount on cash sales - on applicable items only) Check our website for monthly specials.

Parts: There is an ever-increasing supply of reproduction parts, they are not always listed in the catalogues. New items can be viewed on our website, **www.billstruckshop.com** or call for info.

DIRECT FIT HURRICANE SYSTEM PACKAGES		
<i>Made to order, Chev and GMC have different dash designs. Electronic or manual dash controls, with or without compressor and brackets. We need to know engine and compressor location. May require an upgrade to a electric fan and shroud to increase cooling output. Lots to consider so please inquire first.</i> The Hurricane Heat Cool & Defrost unit mounts to firewall using existing original heater mounting holes and includes new plastic glove box. Heater fittings will pass neatly through the firewall under the battery tray with a custom rubber grommet. Includes a new electronic deluxe lever style heater control that fits into original dash opening. The electronic Hurricane Unit features High Torque electric servo motors to operate the Bypass Heater Valve and Defrost Functions. Also includes custom corner louvers and dual center louvers.
