Bills Truck Shop Sheet Metal

Most panels are E-D-Primer coated and are carefully packaged to protect against damage that may occur during transit. Most parts are individually boxed for damage free shipping.

However, after overseas transport & cross country delivery to you, it is likely there could be a small ding or minor scratch.

These minor blemishes cannot be helped and are considered normal due to the nature of the product. Any physical damage in transit must be reported to delivering carrier at time of delivery.

Test fit all panels prior to paint and installation
